

INSTRUCTIONS FOR FINDING A GRAVE

If you do not know location of grave, go to Cemetery website: www.bpccemetery.org to find. Each Section or Row per attached map is marked.

1. I.E. Sec 2, Plot 5.....Find marker for Section 2 which is located at end of section. Graves in Sections run from EAST to WEST. Find Plot 5 by looking for location on map.
2. I.E. Row E-2, Plot 5.....Find marker for Row-2 and walk south to grave # 5.
3. There is a row of 8 graves located right along the rock wall closest to the church that are not on this map. These locations are Section 1-a through Section 1-e.
4. There is a row of graves located right along the rock wall at the lower side of the cemetery at the woods that are not on this map. These locations are Section 6a, plot 1 through Section 6a plot 17.
5. The newest part of the cemetery at the back side is not on this map. This is Section 8 and is not marked but is easy to find. You can drive back there. These graves run North to South.
